COVID-19 Vaccine FAQ

How can I receive updates on the vaccine?

Winona County has a COVID-19 response website updated with virus and vaccine information as it is made available. You can visit this website [here](#).

Winona County releases an e-newsletter weekly on our COVID-19 response. To subscribe to the weekly Winona County COVID-19 newsletter [click here](#).

How can I find out about the current vaccine clinics?

Winona County will publish the current week's vaccine clinics through a media release to local media, and on the [Winona County Health and Human Services](#) and the [Winona County Emergency Management](#) Facebook pages.

Those in need of assistance may call the vaccine hotline at 507-457-6375.
